CHURCHILL'S 'NO' TO INDIAN LEADERS' DEMAND

Says, "Responsibility Rests
Entirely With Mr. Gandhi
Himself"

NEW DELHI, February 24.

In reply to the Leaders' Conference Committee's cable urging Mahatma Gandhi's immediate release, Mr. Churchill, Prime Minister says:—

"The Government of India decided last August that Mr. Gandhi and other leaders of Congress must be detained for reasons which have been fully explained and are well understood. The reasons for that decision have not ceased to exist and His Majesty's Government endorse the determination of the Government of India not to be deflected from their duty towards the peoples of India and of the United Nations by Mr. Gandhi's attempt to secure his unconditional release by fasting.

INVASION MENACE

The first duty of the Government of India and of His Majesty's Government is to defend the soil of India from invasion by which it is still menaced, and to enable India to play her part in the general cause of the United Nations. There can be no justification for discriminating between Mr. Gandhi and other Congress Leaders. The responsibility, therefore, rests entirely with Mr. Gandhi himself."—A. P.

REPRESSION WON'T SOLVE DEADLOCK

A.I. Leaders Urge
Churchill To Release
Mahatma

The Committee of the Leaders' Conference, sent the following cable to Mr. Winston Churchill:—
"Three hundred public men from different parts of India, representing various communities, creeds and interests, including commerce and industry, landed interests, workers, Communists, Hindus, Muslims, Christians, Sikhs, Parsis and British missionaries, met yesterday at New Delhi and unanimously passed a resolution urging immediate and unconditional release of Mahatma Gandhi, whose condition is fast approaching a crisis.
"We fear that unless immediately released he will pass away."

MAHATMA'S OBJECT
"We wish to explain to British public opinion that the Mahatma is fasting only to be able to review the situation as a free man and to advise the people accordingly and not on the issue of independence.
"We are convinced that the terms of his letter of Saturday, 23, recently published by Government, amount to an unequivocal disapproval on behalf of himself and the Congress of all acts of violence."

VICEROY SUMMARILY REJECTS
"The Chairman of the Conference Sir Tej Bahadur Sapru submitted the resolution to the Viceroy yesterday afternoon and immediately afterwards he received a reply from the Viceroy declining to interfere as no new factor had arisen to alter the previous decision and enclosing the official communication of February 10. We deeply deplore that the advice of so many representative and responsible men should have been summarily turned down by the Viceroy.

"We firmly believe that if the Mahatma's life is spared a way will be opened to the promotion of peace and goodwill as surely as his death as a British prisoner will intensify public embitterment.
"The charges brought by Government against the Mahatma do not rest upon an examination by any impartial tribunal or independent body of men.
"NOW IT RESTS WITH GOVT.
"We firmly believe that much of the trouble which has arisen on the part of Government last summer and that the Mahatma should have been allowed to see the Viceroy to find a solution as he desired. Millions of our countrymen feel that the responsibility for saving the Mahatma's life now rests only with the Government. We therefore, urge that the Mahatma should be forthwith released. As under the existing constitution the ultimate responsibility is of the British Parliament for the peace and tranquility of India, we request that

this cable may be brought to its notice in order that it may do justice in the matter. We are convinced that wise and liberal statesmanship will solve the Indo-British problem more speedily and effectively than stern repression."

FRESH SOVIET DRIVE ON KIEV

MOSCOW, Feb. 24.
From Reuter's special correspondent in Moscow:—

Powerful Soviet armoured columns slicing through the German defences in deep in the Ukraine made fresh progress in the direction of Kiev today. "The holy city" and capital of Russia's vast granary is for the first time within measurable distance of the advancing Red Armies—less than 180 miles.

A supplement to the Midday 'communique' says that west of Rostov one Soviet unit crossed a water barrier and occupied a fortified height. Soviet planes in attacks on strong German air forces destroyed 35 German aircraft in combat.

Replying to President Roosevelt's greetings on 25th anniversary of the Red Army M. Stalin said he shared his confidence that the Russian successes "will open the path to the final defeat of our common enemy."

The Rome radio this afternoon foreshadowed big new withdrawals by the Germans in Russia.

The latest reports indicate that Germans have thrown in huge reserves in their bid to keep open the Donetz corridor. Orders have been given by the German Command that the Krasnodar and Krasnoarmeisk must be recaptured at all costs.

Ceylon State Council Urges Immediate Release

INDIA PRAYS FOR MAHATMA

COLOMBO, February 24.

Mr. Samarakkody's motion urging upon the British Government Mahatma Gandhi's release stated "that this house expresses its sympathy with the Indian people in their struggle for freedom and as the news of Mahatma Gandhi's fast is a matter of deepest concern to millions throughout the world, demands of the British Government the immediate and unconditional release of Mahatma Gandhi".

Mr. Samarakkody declared that Gandhi was the leader not only of India but of the whole of Asiatic continent.

Mr. A. Patnayake seconded the motion.

Mr. H. R. Freeman moved an amendment seeking the substitution of the word request instead of demand. The amendment was agreed to and resolution as amended passed by 37 votes to four.

Country-Wide Meetings
NEW DELHI, Feb. 24.
Resolutions urging Mahatma Gandhi's immediate and unconditional release are pouring in here from different parts of the country. Prayers are being offered at certain places for his long life and sympathetic fasts are being observed.

Daily meetings and congregational prayers are being held at Kotah in connection with Mahatma Gandhi's fast. A meeting was held on Saturday under the auspices of Mahavirad where a resolution urging unconditional and immediate release of Mahatma Gandhi was adopted unanimously. Last night the Merchants' Association at its meeting decided to send a telegram to the Viceroy appealing him in the name of humanity to release Mahatma Gandhi. News of 'hartal' and prayers are pouring in from several villages.

In Alwar on Monday all colleges and school students observed 'hartal' and took out processions. Later they held meetings where prayers were offered for Mahatma Gandhi's long life. A telegram requesting Mahatma Gandhi to give up the fast was sent by local students. Daily prayers are organised in Arya Samaj, Jain Sabha and Praja Mandal halls.

A meeting of citizens of Ajmer held on Monday evening at Town Hall offered prayers for long life of Mahatma Gandhi and passed a resolution requesting the Viceroy for the immediate and unconditional release of Mahatma Gandhi. At Meerut a meeting of students and staff, Meerut College, was held to pray for the long life of Mahatma Gandhi and a resolution was passed viewing the present state of Mahatma Gandhi's health with the gravest concern. At Jhansi at a meeting of local

Gandhiji's Condition Shows Slight Improvement

No Further Deterioration:
Prospects Of Successful
Termination Of Fast

BOMBAY, February 24.

The Government of Bombay have issued the following communique on Mahatma Gandhi's condition:—"The following is the report on Mr. Gandhi's condition upto this afternoon:—

Mr. Gandhi's general condition shows a slight improvement.

The uraemic symptoms are less prominent. He is cheerful and his strength shows no further deterioration."

THIRD WEEK OF FAST THEY ALL DEMAND GANDHIJI'S RELEASE

POONA, Feb. 24.
With the beginning of the third week to-day the prospect of Gandhiji successfully terminating the fast appears brighter, though the daily increasing weakness with its corresponding risk can by no means be ignored.

Doctors who held to-day their morning and afternoon examination of Gandhiji's condition came out of the Aga Khan's Palace with a more confident look on their faces. Friends having experience of Gandhiji's previous fasts appear to hold the opinion that there are various phases of a three weeks' fast and Gandhiji has yet to carry the "accumulated liabilities" of the last two weeks' fast to the third week.

MASSAGE & SPONGE BATH
It is understood that Gandhiji had a few hours' sleep last night and appeared to be more comfortable this morning due to the rest he had yesterday. He is following the routine of prayers to the accompaniment of devotional songs, besides taking regular massage and sponge bath every morning. This daily process appears to tire him to some extent but it is considered necessary to keep him comfortable.

Since Gandhiji finds it difficult to drink and retain water which is adjusted to one taste, it is understood it is being made sweet and sour alternately by the mixing of the usual dose of sour and sweet lime juice.

VISITORS & JOURNALISTS
An old sister of Gandhiji called on her brother to-day, Mr. Mathuradas Tripathy, Mr. Devidas Gandhi and Mr. Kamalnayan Bajaj went to the Aga Khan's Palace early this morning.

With the progress of the fast the number of journalists is daily increasing in Poona. To-day three more foreign journalists including the correspondents of the "New York Times" and "Herald Tribune" arrived here. The photographer of the American magazine "Time" has also arrived.

Ashramites Visit Gandhiji

A large number of visitors, mostly inmates of the Sewagram Ashram, saw Mahatma Gandhi this evening.

Mahatma Gandhi, it is stated, was quite cheerful and communicative to those who saw him. Some of the Ashramites played devotional songs on stringed instruments and before they started, Mahatma Gandhi asked the Superintendent of the Camp if it would be in order for the visitors to sing. When some children who had accompanied their parents to the Aga Khan Palace came into his room, Mahatma Gandhi asked for some 'gul' to be brought and distributed it to the youngsters.

Shrimati Gokul Ben, Mahatma Gandhi's aged sister, also saw him to-day.

PESHAWAR At a meeting of leading Muslims at Mardan a resolution was unanimously passed, urging the unconditional release of Mahatma Gandhi and also requesting Mahatma Gandhi to yield to the Muslim League demand of Pakistan.—A. P.

American Interest In Gandhiji's Fast

(From Our Correspondent)
POONA, February 24.
An American war correspondent tells me that his paper has been repeatedly calling him to send more about Mahatma's fast, although he says he has been sending out quite a lot.
This should be taken to indicate the amount of interest that the American papers are showing in this matter.

PRAJA PARISHAD'S APPEAL TO VICEROY

(From Our Correspondent)
MIRAJ, Feb. 24.
The Presidents and Secretaries of the Praja Parishad institutions and popular Ministers and leaders of twenty-two Deccan States in a joint appeal to the Viceroy beseech His Excellency to release Gandhiji immediately.

They have also issued an appeal to the Deccan States' People to observe Feb. 27 as a day of prayer for Gandhiji's health and to organise processions and meetings praying for the successful termination of his fast.

Liberals Demand Gandhiji's Release

BOMBAY, Feb. 24.
At a meeting of the Council of the Western India National Liberal Association held this evening, a resolution earnestly appealing to Mahatma Gandhi to give up his fast, and at the same time urging upon the Government to release Mahatma, who is widely respected and honoured by large sections of his countrymen, was passed.—United Press.

But Bishop Of Madras Associates Himself With Its Object

MADRAS, Feb. 23. The Commissioner of Police has declined to permit a public meeting proposed to be held in the city to-morrow in connection with Mahatma Gandhi's fast.

The permission was sought on behalf of a number of organisations in the city including the Madras Students Organisation, and S. M. Railway Employees' Union, and the Communist Party of India, Madras Branch.

Rt. Rev. A. M. Hollis, the Bishop of Madras, in the course of a letter to the organisers of the meeting stated:

"I cannot be present at the meeting owing to absence from Madras but I do want to associate myself with your appeal to the Government of India and to Mr. Gandhi himself to reconsider the situation and to prevent a result which may have very serious effects on the present and future relations between India and the British Empire."

The Rt. Hon. V. S. Srinivasa Sastri presiding over the Silver Jubilee of the Kumbakonam College Old Boys' Association, referred to the condition of Mahatma Gandhi at Poona and said:

"Your hearts are all there and you are earnestly praying for the happy end of his great endeavour for the benefit of our country."

That his attempt should end happily and he be spared to serve for long his mothercountry—and which he knows how to serve more than all others—is the inmost wish present in our hearts at the moment."

Sir Cusrow Wadia Fund Board Sanctions 14 Land Development Projects

A charitable endowment fund was constituted in 1942 with the generous donation of Rs. 7,25,000 from Sir Cusrow Wadia, which formed the corpus of the fund. The Government has also promised to give a contribution of Rs. 25,000 every year to the fund.

The income of the fund is to be applied to conservation of the soil and water resources and the development of improved methods of agriculture, including bunding, terracing and dry farming.

The fund is controlled by a governing body and the schemes are executed by the Department of Agriculture in co-operation with the Forest and other Departments.

Sir Cusrow Wadia has given an additional generous donation of Rs. 50,000 to the fund for current expenditure, with a view to enabling the governing body to finance more land development projects. The Bombay Government has also given Rs. 25,000 for the same purpose.

Fourteen land development projects, estimated to cost Rs. 3,12,500, are under execution. Of this, Rs. 1,40,000 will be provided from the fund and the balance of Rs. 1,72,500 will be met by the labour given by the landholders.

At its meeting on February 8, the governing body sanctioned 14 more land development projects, estimated to cost Rs. 3,12,500. Of this Rs. 1,40,000 will be provided from the fund and the balance of Rs. 1,72,500 will be met by the labour given by the landholders.

The governing body has also approved the concentration of land development work in scarcity and famine areas and the expeditious execution of land development projects in those areas.

Housebreaker And Robber Sent To Jail

(Before the Hon. Mr. Justice Wadia and a Common Jury.)

Verdict.

John Antonio D'Souza alias Salvador Pascal Mendonca. Accused.

At about 2 o'clock in the small hours of the morning of 28th August last, the accused entered the ground floor of the Ramlal House at Khetwadi by breaking through the iron bars of a window into a room in which Miss Manjeh Pirojsha Kandelia was sleeping inside a mosquito-curtain. She was aroused from her sleep but pretended to remain asleep till the accused removed some ornaments from a cupboard in the room next door. She then stole out to the verandah and then into her uncle's room and woke him up. He bravely attempted to apprehend the accused but both were injured with a knife with which the accused attacked them in order to escape. But the accused was ultimately arrested in the compound.

The accused was charged with house-breaking by night and with committing robbery with a deadly weapon. The defence of the accused was that he was an innocent passer-by wrongly implicated.

The jury having by a majority found the accused guilty of both the offences charged, his Lordship sentenced him to seven years' rigorous imprisonment on the first charge and to ten years on the second charge, the sentences to run concurrently.

Mr. M. J. Sethna instructed by the Public Prosecutor appeared for the prosecution. Dr. P. N. Daruwalla defended the accused.

FINLAND WON'T CONTINUE AID TO AXIS

WASHINGTON, Feb. 23. The Assistant Secretary of State Mr. Welles to-day reiterated the United States Government's hope that Finland would no longer continue the policy of giving effective military aid to the Axis.

He described the Axis as the mortal enemies of the United States and other United Nations and the mortal enemies of exactly the kind of democracy which the Finnish people believed in and stood for.

Mr. Welles added that he felt that the position of the United States Government and the State Department had been made very clear on this matter and referred to the very real friendship and understanding which existed between the people of Finland and the people of the United States.—Reuter.

RELIEF IN BROTHERHOOD OF MAN

LONDON (By Mail).—"There is a spiritual awakening in Britain and the people believe in not only Christianity but the Brotherhood of Man." Thus declared Viscountess Astor, M.P. (Cons) in an address to the Oxford University Conservative Association recently. She said that she would like to see China and India included in the framework of the Post-War Social re-organisation drafted by United States and Britain but she thought that the two countries—Russia and China—should get into the "British way of thinking". She added:—"I will be frightened if the British Commonwealth of Nations and the United States" pulled apart "after this war". "I believe Christianity honestly practiced by a few Christians could change the whole civilisation she asserted.—India Press Service.

AMAZING NEW CURE FOR MALARIA—ENDS IT IN ONE DAY—

SOUNDS UNBELIEVABLE, BUT TRUE.

Not a Fad but a GENUINE HERBAL REMEDY.

Never before has it been possible to bring about a cure so promptly of such a deep-rooted and persistent affliction as malaria. MAL-KILLER is the name given to this magic herbal cure which has remained a closely guarded secret, unknown to modern medical science. In its potency it excels quinine or any of its compounds. MAL-KILLER is deadly to malarial parasites in the blood. It acts so quickly that no sooner it enters the blood than it destroys the germs, wherever they may be, and removes the root cause of malarial infection.

Even in extremely bad or chronic cases, it will not be found necessary to continue the treatment longer than 2 days as within this period all traces of malarial parasites in the system are positively destroyed.

MAL-KILLER is a purely herbal preparation and does not contain any ingredients injurious to the human system; nor does it cause any bad after-effects as in the case of quinine or similar drugs.

You need no longer suffer from malaria, however chronic and long standing. You can banish it, once and for all with MAL-KILLER.

MAL-KILLER kills Malaria in ONE day

OVERWHELMING EVIDENCE

from doctors and well-known persons.

REALLY MARVELLOUS

"I have tried Mal-Killer on one of my relatives who was having frequent attacks of Malarial Fever, and I am glad to state that Mal-Killer brought about rapid cure in a surprisingly short time. It is a marvellous preparation."

sd/- M.B.S.S.

CLAIM FULLY JUSTIFIED

"I am glad to hear that you are putting your wonderful medicine 'Mal-Killer' on the market. I have tried it in the case of my daughter who was suffering from a malignant type of malaria. Your claim that 'Mal-Killer' kills malaria in one day is fully justified. I wish you success."

sd/- Fazal I. Rahimtoola, C.I.E.

SUCCEEDED WHERE OTHERS FAILED

"I have nothing but praise for 'Mal-Killer'. I was subject to malarial fever and used to get frequent attacks. The other remedies which I tried gave me only temporary relief, but Mal-Killer brought about a radical cure in a surprisingly short time. It is indeed a marvellous remedy."

sd/- M. A. F. Cooboo, Presidency Magistrate.

DECIDEDLY MATCHLESS

"In a country like India where Malaria takes a toll of thousands of lives every year, 'Mal-Killer' is welcome as a boon to suffering humanity. I can say from my personal experience that 'Mal-Killer' is decidedly matchless."

sd/- Manubhai, Jewellers.

NOTHING SHORT OF A MIRACLE

"I have used 'Mal-Killer' personally and also given it to a number of my relations and friends. I am glad to say that in every case it has proved a marked success. That it can cure Malaria in 24 hours is nothing short of a miracle."

sd/- M. Issaque, D.D.Sc., J.P.

CURE IN A SINGLE DAY

"I have tried 'Mal-Killer' and found it a wonderful remedy for Malarial fever. I have known it to cure malaria in as much as a single day. In ordinary times it would be much better than quinine. At present when quinine is difficult to obtain 'Mal-Killer' is priceless."

sd/- A. A. Shellin, 2nd Lieutenant.

TURKEY VIGILANT

ANKARA, Feb. 24.
President Inonu of Turkey in an election address to the Turkish people said "Whether we continue to remain outside the war is not entirely a matter of our own volition. That is why we are sparing no sacrifice. We shall endeavour to increase our preparations more than ever. It is our duty to be vigilant both during and after the war."

DEFENCE COSTS
The President continued:— "We shall do everything possible not to get involved and contaminated by the world upheaval which afflicts us and from which we suffer. Never has our people spent so much on Defence as in the last four years. The number of our citizens called to the colours has likewise in no way diminished. By reason of this sacrifice and furthermore of the fact that we have no secret aspirations to attack others, we have been able to keep our policy steadfast and above board. We ought to continue equally vigilant, ready and in a state to contemplate any sacrifice. Let my fellow citizens never forget that with 40 nations at war today more than 35 of them possibly came into it against their will."—Reuter.

The Half-Column "By Dim"

Here is a rough idea of what, I am told, happened at the Tur Club meeting. One member of the Committee, lost his seat. "THE DISGRUNTLED MINORITY" (I have to use "capitals" for the occasion and for those who may not know the significance, I may add, the words are from the "Sporting Times") included the Chief Justice of Bombay, Sir John Beaumont. Sir John made a speech, which, as one member put it, left nothing unsaid.

It's the sort of speech we'll never read in the "Open Forum" of the "Sporting Times." "Members sat in their places dazed," said one of my Gestapo agents, "when the Chief spoke." No one told me what the Stewards looked like.

The one member who lost his seat by 140 votes to 7 was Dr. Karmally. And this is where the tragedy comes in.

The opposition didn't think of demanding a poll against those up for re-election until this Steward's name came up. One member said, they were probably content with the moral victory, being unsure of the proxy situation. And this was a blunder for which the public will never forgive those members who were present. When the poll against one Steward resulted in such a crushing victory for the opposition, they must have realised the opportunity they missed. But if certain Stewards still remain in office, may I say that we are watching them? It is for this new Committee to elect the Stewards. May I emphasise that the change in the Stewards is still possible, and I would urge that the public's wishes be respected.

Deficit Of 76 Lakhs In Sind Budget

Sequel To Hur And Flood Disasters

KARACHI, Feb. 24.
A net deficit of Rs. 63 lakhs for the current year and an estimated deficit of Rs. 13 lakhs for the new year are revealed in the financial estimates for 1943-44 presented by the Premier, Sir Ghulam Hussain Hidayatullah in the Sind Legislative Assembly today. The figures are arrived at as follows:—
1942-43 Revised Revenue: Rs. 67,021,000; Revised Expenditure: Rs. 63,361,000; 1943-44: Estimated Revenue: Rs. 49,641,000; Estimated Expenditure: Rs. 50,877,000.

The memorandum accompanying the estimates shows that two main factors namely the Hur rebellion and the floods turned what might have been a fairly prosperous year into a bad financial year. Nevertheless, thanks to the prudent husbanding of the resources of the Province in previous years, the Government was able to withstand one financial shock after another without any disastrous effect on its financial stability, actually says the memorandum.

The deficit expected two or three months ago was over a crore of rupees but improved receipts particularly from land sales enabled the Government to reduce it considerably.

Acknowledgment is made in this connection to the "generous assistance given by the Government of India, in bearing, for the duration of the war, 80 per cent of the additional expenditure on police employed for war, the Hur and other security measures."

SINGH

He is a Technical Officer in the Indian Air Force. He hasn't always been an officer. Ten years ago he was an "unknown"....a student in an Engineering College in Northern India. He gave up a good stipend to join the Indian Air Force. But he had foresight, had Hajender Singh, foresight plus ability. That's why he's now a Technical Officer drawing Rs. 590 a month. He was the first technical trainee to join the Indian Air Force. And he was with the first I. A. F. Squadron to go on active operations in this war. Did he do well? Well, he's an officer now isn't he? And he wasn't then.

These are SUCCESS stories. SUCCESS stories which can be written about YOU TOO, if you've got the ability. The Indian Air Force will give you every opportunity to prove your worth. It will teach you a fine trade, help you to build for yourself a fine career, pay you good money, and feed, clothe and house you at the same time. Are you interested?
